**HIGH SCHOOL POSITION CAMPS** - High School Position Camps include focused instruction in the areas of Defense/Passing, Hitting/Blocking and Setting. They are designed to reinforce and develop techniques related to individual positions and their relationship to the team. These camps are meant to be low-cost, concentrated, no-frills sessions and **DO NOT INCLUDE A CAMP SHIRT**.

**MIDDLE SCHOOL POSITION CAMPS** - Middle School Position Camps include focused instruction in the areas of Defense/Passing and Hitting/Setting and are designed to teach and develop techniques related to individual positions and their relationship to the team. These sessions are more in-depth than the All Skills Camp and address individual skill sets including hitting, setting, defense and passing.

**SERVING CAMPS** - Serving Camps are designed for instruction in fundamental techniques and utilize repetition to develop and improve serving skills. All serving sessions are identical - they do not build on one another. Campers may register for one or both sessions and will be evaluated and divided by skill level during the camp session to maximize the benefit of the instruction for each camper. Sessions are open to youth and middle school age athletes. These camps are meant to be low-cost, concentrated, no-frills sessions and **DO NOT INCLUDE A CAMP SHIRT**.

**ALL SKILLS CAMP** - All Skills Camp is designed for girls in grades 6 - 8 to reinforce the general skills necessary in all positions including hitting, setting, defense/passing and serving. This camp is less in-depth than the individual Position Camps and may be good for girls who are not yet certain of their position or who may want to learn the basics of all positions. Please refer to the detailed camp session to determine which All Skills session applies to your athlete based on her grade level.

**VOLLEY-SMALL CAMP** - Volley-Small Camp is designed for girls in grades K - 2 to help develop early teamwork skills, physical conditioning and a basic understanding of volleyball terminology through fun games and group activities.
