St. Joseph High School Keating Fieldhouse

Victoria, TX 77901

2. Each team must have one adult coach present on the bench during all games. No additional assistant coaches, parents or players not listed on the team roster are allowed on the bench. In addition, each team must provide an adult scorekeeper and line judge for each match.
3. Teams are responsible for their own practice facilities if they desire to practice. Southern Swing will provide all warm-up balls and game balls. Game balls will be disinfected between sets and matches. Warm-up balls will be disinfected between matches. **Teams SHOULD NOT bring their own balls into the gym.**
4. **All teams must leave the gym while they are not actively playing their scheduled matches. This includes players, coaches and spectators.** Coaches will be notified by text when their teams can re-enter the gym.
5. In the YOUTH division, games will be played in a slightly modified format as follows:
 - The net height will be reduced to 7’
 - Games will be played with volley-lite balls
 - Players will be allowed to serve from a modified service line closer to the net

If an individual player successfully serves 3 points from the modified service line, they will be required to serve the subsequent serves from the traditional service line. Players CANNOT begin their approach at the modified service line. The server’s approach must be completed behind the modified service line or it will be conserved a foot fault.

6. In weeks 1 - 3 of league play, each match will be 2 sets to 25 (rally scoring, cap 30). There will be a 45-minute time limit for each match. In the event of a tie score when the designated time period runs out, the next point wins the set.

7. No formal warm-up period will be provided. Teams should be ready to begin at the conclusion of the previous match – we will not wait to begin if matches are running ahead so please be ready. A Southern Swing staff member will notify coaches when we are ready for their team to enter the gym.

8. Seeding for week 4 (play-off bracket) will be based on the percentage of SETS won during weeks 1 – 3 of league play. In the event of a tie at the end of week 3 the order of seeding will be determined as follows:
 - First – head to head results of the tied teams with the winner receiving the higher seed; if still tied then
 - Second – comparison of the total point spread between the tied teams with the higher point spread receiving the higher seed; if still tied then
 - Third – comparison of the total point spread over all opponents during the first 3 weeks of league play

ALL TEAMS will play in week 4 regardless of their seeding. The format for bracket play will be a single-elimination bracket.

9. Teams may play with a minimum of five players. Teams playing with five will observe a “ghost” spot for the sixth player resulting in a loss of serve when that position reaches the server’s spot. Teams with less than five players may still play but will be required to forfeit the match for purposes of league standings.

Teams with less than five players may still play but will be required to forfeit the match for purposes of league standings. 11. Please remind your players and parents to dispose of any empty water bottles or other trash in the lobby, bleachers and bench areas of the gym before they leave. No outside food or drinks other than water in containers with secured, screw-on lids are allowed in the gym. We consider it a privilege to be able to use the facilities that we rent so please help us maintain that privilege by following these simple rules.

The above guidelines should be followed IN ADDITION TO the current Health & Safety Guidelines that are in place. A copy of both sets of guidelines have been distributed to all coaches and are posted on the “Spring League” page of our website. Please make sure to share these with all of your parents and players so that there are no surprises.

In order to allow unlimited spectators in the gym, we respectfully ask that spectators, coaches and athletes WEAR A MASK AT ALL TIMES while in the gym. In the event that this becomes an issue we will limit the number of spectators allowed inside for the remainder of the league. We realize that many of your players have friends and grandparents that love to see them play ... and we love to have them in the gym. Coaches, please help us protect the safety of our staff, athletes and guests by enforcing all of the safety guidelines that we have in place.
